Says Pact Has Strong Threat To Aggressors

Alliance May Be Signed April 4 Or 5

Washington, March 9.—(AP) Secretary of State Acheson pictured the still secret Atlantic pact today as carrying a strong warning to any aggressor that the United States would strike back in event of an attack on western Europe.

No aggressor is entitled to make the same mistake three times, he told a news conference.

That is a phrase he borrowed from congressional advocates of the treaty project who argued that the errors of judgment which Germany twice made about American policy toward Europe should never be repeated by it or any other nation.

In final stages

The treaty is now in its final stages and diplomatic informants here said it possibly will be signed about April 4 or 5.

The principals at the Washington signing ceremonies are expected to include Acheson, British foreign minister Bevin, French foreign minister Schuman and the foreign policy chiefs of about nine other countries.

Acheson said definitely today that the text of the treaty will be made public. This is expected early next week.

In negotiating the military pact within the framework of the United Nations, Acheson said the United States and the other countries had not created something new but simply recognized the association of this country with Western Europe—a relationship going back for 300 years. This is one of the facts of life, he said—an association rooted in the common ideas, common institutions of freedom shared by the western world.

Within U.N. Charter

The negotiators succeeded, he said, in drafting a treaty which is wholly within the United Nations charter and one which makes clear the determination of the United States and the powers associated with it to exercise their inherent right of self defense, individually and collectively, against aggression from any quarter.

As a result of these positive accomplishments in the treaty, Acheson said he believes the negotiators also have succeeded in forming an instrument which would eliminate a sense of insecurity and promote the recovery of western Europe.

Wind-Driven Pile Of Ice Damages Beach Cottages

Bay City, Mich., March 9.—(AP)—A wind-driven pile of ice at least 15 feet high halted—after damaging four cottages on the Saginaw Bay beach front.

The ice was driven in off the bay by a strong northeast wind.

However, the wind veered to the east and the creaking advance of the ice jam ended for the moment. Some residents expressed fear that the winds would start the ice on its disastrous journey again.

The towering drifts lifted the roof off one cottage, battered down a side wall on two other cottages and ripped the front porch off a fourth.

Edison, CIO Union Sign Non-Commie Pact For Employees

New York, March 9.—(AP)—The Consolidated Edison System and a CIO union today signed a contract under which all present and future employees will be required to say whether they are members of "any communist or subversive organization."

Turning the step unprecedented in labor history, the parties said it was designed to protect essential public services in "times of national emergency."

A company spokesman said the union, the Utility Workers of America, has had a constitutional provision denying membership to members of communist or subversive organizations since its formation in 1946.

It was estimated the grant of a seven-cent hourly across-the-board wage increase plus changes of wage categories would cost the company approximately \$6,500,000 more annually. Before the agreement wages ranged from \$53 to \$74 weekly.

Children need to have three to four glasses of milk every day; adults need two or more. Any milk not taken in liquid form can be consumed in other ways—in puddings, on cereals, in soups, in sherbets and so forth.

Announce Price Drops Of Soft Coal In East

Pittsburgh, March 9.—(AP)—A crack opened today in post-war soft coal prices. But it's too early to tell if it means your furnace coal will be cheaper.

Pittsburgh Consolidation Coal Co., often called the world's largest commercial producer, announced price reductions of from 15 to 40 cents a ton, according to grade, in coal from some of its northern West Virginia fields.

These fields produce so-called low cost coal for the firm. That simply means the production tab is not so high.

So far, only big industrial coal customers—like utilities—have benefited. And not all of them.

The price cuts are being made in several new yearly contracts being negotiated with industries. The contracts usually are effective each April 1.

The new range of prices in effect where prices were cut is not available. Contract prices of soft coal usually are closely kept secret between buyer and seller.

A Pittsburgh consol spokesman said the reductions were made "in response to competitive conditions." He said other prices would come up for discussion as contracts are renegotiated.

Confine Undecided Axis Sally Jury Until Morning

Washington, March 9.—(AP)—A federal jury weighing the government's treason case against Mildred E. (Axis Sally) Gillars was unable to reach a verdict tonight and was locked up until morning.

The jurors started their deliberations at 11:03 a.m. (CST). More than 10 hours later they were still not ready to announce a verdict in the case of the Portland, Me., native who broadcast for the Nazi radio in wartime.

Marshals took them to a hotel where they were to be sealed off for the night under guard.

The jurors spent only about six hours in actual deliberation of the fate of the 48-year-old former actress. Then took an hour and 43 minutes for dinner tonight and 50 minutes for lunch.

Dairies Claim 1st Round Win In Oleo Vs. Butter Battle

Washington, March 9.—(AP)—Dairy interests claimed a first round victory today in the battle of oleomargarine vs. butter.

The House agriculture committee gave thumbs up to a bill to life all federal taxes from oleo—but also voted to prohibit the sale of yellow-colored oleo in interstate commerce.

Dairy state lawmakers agreed in committee hearings to the repeal of federal taxes on oleomargarine. But they had fought bitterly to prohibit interstate sale of the spread when it is colored yellow.

Their margin, however, was narrow. By a vote of 14 to 13, the committee turned down a proposal that sale of yellow margarine.

Reps. Poage (D-Tex.) and Abernethy (D-Miss.), along with other backers of proposals to free oleo from all restrictions, quickly announced they would carry their fight to the House floor.

Truman Demos Will Attempt To Break Filibuster Today

Report Clash Between Israelites, Arab Legions Near Gulf Of Aqaba

Amman, Trans-Jordan, March 9.—(AP)—The defense ministry reported tonight a clash between Trans-Jordan's Arab Legion and Israeli armed forces moving toward the Gulf of Aqaba.

In Tel Aviv the Israeli ministry of foreign affairs said it had no knowledge of any such clash. A spokesman declared that no Israeli units are stationed or operating outside Israel's territory.

The Trans-Jordan defense ministry announcement said: "The Arab Legion stopped Israeli forces proceeding toward Aqaba at a point 50 kilometers (32 miles) from Aqaba. A Jewish force has proceeded toward Aqaba since March 7."

"Part of the force crossed the mountainous area parallel to the Sena desert and was able to reach this and other British moves to the U. N."

To Tel Aviv observers, the danger of a true-breaking battle between Israeli and Trans-Jordan or British forces in the Aqaba zone had appeared to have blown over.

Asked whether British military units had been encountered along the Israeli coastal strip, the spokesman replied "we have no reason to doubt Britain's assurances that none of her forces is on our soil."

A British foreign office spokesman declined to say how strong the reported Israeli force was, exactly how it was observed by Trans-Jordan and whether, in Britain's opinion, such a movement would violate the U. N. cease fire order.

A joint meeting of Israeli and Trans-Jordan armistice delegates was called at Rhodes by Dr. Ralph J. Bunche, acting U. N. mediator.

British officials in London said they regarded the situation as "very dangerous."

Aqaba has been an issue between Israel and Britain since British troops moved into the port last fall, by request of Trans-Jordan's King Abdullah, under the terms of a mutual defense treaty. Israel protested.

The final vote was 15 to 6, but the big test came earlier on a 13-12 vote. After more than six hours of heated discussion, several Republican-sponsored amendments were tentatively voted into the bill.

Then Rep. Bailey (D-W.V.) moved to substitute the original bill introduced by Chairman Lesinski (D-Mich.) for the amended measure before the committee.

His motion carried 13 to 12, with three Democrats, Reps. Wood of Georgia, Lucas of Texas and Barden of North Carolina, voting with the committee's nine Republicans.

After that, the committee went through a formal vote approving the bill in final form. It passed 15 to 6, with four committee members declining to go on record for or against it.

Claim GOP Support In Showdown

Washington, March 9.—(AP) Senate anti-filibuster leaders claimed "unexpected" Republican support tonight for a showdown attempt to break the southern-led talkathon tomorrow.

The debate, directly involving the right of filibustering and indirectly keyed to the bitter civil rights controversy, has jammed the Senate's legislative machinery for nine days.

Majority leader Lucas (D-Ill.) told newsmen late this afternoon that 33 senators so far had signed a petition to end the Dixie Filibuster against a proposed change in Senate rules. The change would even the vote by curbing filibusters and thus make it easier to pass civil rights legislation.

Switch Sides

The list included three GOP Senators—Flanders (Vt.), Reed (Kans.) and Smith (N.J.)—who had previously gone on record as saying they would vote against an attempt to halt the debate at this stage.

Only 16 names are required on the so-called cloture (debate limiting) petition, which Lucas said he will file tomorrow.

But if Vice President Barkley rules that the petition can be entertained a majority of those present will be necessary to uphold his ruling. And to put an actual limit on debate requires a two-thirds majority. The Senate has 96 seats.

Among the signers of the petition were 17 Democrats and 16 Republicans.

Taft Pledges Aid

The GOP signers included Senators Taft (Ohio), Knowland (Calif.), Ives (N.Y.), Tobey (N.H.), Saltonstall and Lodge (Mass.), Flanders (Vt.), Ferguson (Mich.), Baldwin (Conn.), Brewster and Mrs. Smith (Maine), Thye (Minn.), McGee (Ore.), Reed (Kans.) and Hendrickson and Smith (N.J.).

Democrats who signed were Anderson and Chavez (N.M.), Douglas (Ill.), Green (R.I.), Kilgore (W.Va.), Lucas (Ill.), Magnuson (Wash.), McGrath (R.I.), McMahon (Conn.), Miller (Idaho), Murray (Mont.), Myers (Penn.), Neely (W.Va.), O'Mahoney (Wyo.), Pepper (Fla.), Taylor (Ida.) and Thomas (Utah).

Lucas said the number who signed the petition in the first hours indicated that the administration is "gaining."

Knowland, also working to end the filibuster, said he had found "unexpected" GOP support for this move to end debate.

BUDGETING OUR ARMED STRENGTH

American troops in Japan will fight if the country is invaded. That definite Army statement clears up the confusion that followed some earlier official pronouncements. But the Army is not going to mass large forces in this vulnerable area next door to Soviet and Soviet-dominated territories.

This would seem to be a sound decision. Japan is not self-sufficient. The job of supplying and maintaining a big force there would be enormous. The troops there now would probably have a good chance of defeating any invasion attempt of moderate size. But if Russia should conceivably launch an all-out drive for Japan—which could be a prize of doubtful value—the islands might have to be classed as expendable in any event.

With a limited peacetime Army—10 divisions as compared with Russia's admitted 170—our military strategists are understandably concentrating more on Alaska and Hawaii in thinking of our western defenses.

Youth Program Presented At Nortonville

An interesting program on "Youth Conservation" was given by Mrs. Winifred Robinson during a meeting of the Nortonville community club March 5 at the club hall, with Mrs. Ora Kelly as hostess.

Seventeen members and several guests, including Mrs. Grace Oxley, Mrs. Martha Harris, Gilman and Lucy Robinson, Betty Lee Seymour, Marjorie Mutch and Lawrence and Harry Lee Whitlock, were present.

Mrs. Ethel Seymour led the pledge to the flag. Plans were made for a party for club members and families to be held Friday evening, March 11.

Lucy Robinson gave a vocal solo accompanied by Gilman Robinson, who also gave a solo and vocal number. Other instrumental music was rendered by Betty Lee Seymour. Roll call was answered by naming a famous youth. Two contests were conducted by Mrs. Harriett Seymour during the social hour, the prizes going to Mrs. Ida Vedder and Mrs. Grace Oxley. Refreshments were served by the hostess.

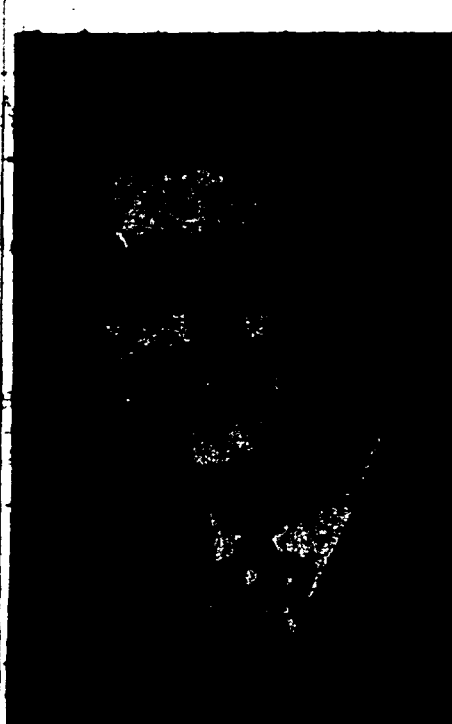

The next meeting will be held March 18 with Mrs. Ethel Newingham.

Eyes Payments To France

New Delhi.—(P)—The government of India in paying the French-Indian government \$340,000 annually, in fulfillment of certain agreements and conventions entered into with the French government in India.

Pandit Jawaharlal Nehru, prime minister, told questioners in parliament the government was considering "whether under present conditions it will be advantageous to continue all or any of them."

During the war, the government of India took over the management of the customs for the French in India and paid them a lump sum of \$20,000 rupees annually.

The French government agreed not to produce salt in its possessions in India in lieu of an annual compensation of 450,000 rupees. The government of India managed their postal and telegraph, paying them 50,000 rupees for their loss of postal revenue. Another 18,000 rupees are paid to them for letting the supply of opium remain in the hands of India.

Nehru said no payment was made to the Portuguese government in India.

The French hold five settlements in India, with an aggregate area of 202 square miles and a population of 400,000. Smaller still are the Portuguese possessions, with headquar-

ters at Goa on the Arabian Sea coast.

Nehru said "there is only one future for these possessions—merger with the rest of India. Geographically, politically, strategically, economically and culturally there is no other alternative."

"But," Nehru added, "the government of India is trying to solve this peacefully and with the goodwill of the foreign powers in India."

Earthquake Jolts Frisco Bay Area

San Francisco, March 9.—(P)—An earthquake shook the San Francisco Bay area early today, causing no serious damage.

There were two shocks felt between 4:29 and 4:30 a. m., from the Santa Clara valley, 60 miles south of San Francisco, to Sacramento, 90 miles northeast.

One woman living beside precipitous Telegraph Hill, reported to police that power lines were on her roof. Investigation showed the power lines were rocks shaken loose from the hill.

Says Education Chief Need For Dental Health

Care of deciduous teeth in young children has a direct relationship to the kind of permanent teeth they will have later on, Dr. Kenneth E. Follmar said while addressing the Optimist club Wednesday. He explained that the alignment of permanent teeth depends considerably upon the condition of the "baby" teeth which precedes them.

Dr. Follmar, who served as dentist at the Illinois Schools for the Deaf and Blind, in addition to his private practice, declared that education is the greatest need toward improving dental health of American children and adults. He said parents should guard their children's teeth by seeing that they get proper diet and periodic dental checkups.

Candy and other food containing high sugar content should be eaten by children at meals to lessen effects of decay, the speaker stated. He advised that children clean their teeth after eating sweet-stuffs as a means of preventing decay.

During the war years the growing children of some European countries

did not experience dental decay because they ate no sugar, Dr. Follmar said. He added that dental decay in American children declined during the years sugar was rationed.

Preventative dentistry, he pointed out, can only be effective on a large scale when parents realize the importance of care of the teeth, and guard against decay. He advocated more lectures and education on the subject, particularly the showing of films and playing of records which call attention to protecting the teeth.

Dr. Follmar was introduced by Col. John Taylor, chairman of the program committee. A nominating committee consist-

ing of Ralph Heiss, James Kimbrell and C. T. Gleason was appointed by President Fenstermaker, in preparation for the Optimist club election in June.

S. O. Savage of Petersburg was introduced as a guest of his son-in-law Rev. C. Frank Janssen.

Students Discuss How World Can Be Made Better

Members of the MacMurray College International Relations club conducting the weekly chapel service Tuesday, made a ringing challenge to their college audience to throw the weight of their youth, ideas, and activity behind a better world. Miss Phyllis Wheeler of Boone, Iowa, announced the topic as "Youth, Past, Present, and Future," and introduced three speakers.

Miss Jean Vogele of Downers Grove spoke of the active part youth has played in the ever-changing world of the past. Inexperience or indifference, two main excuses of college youth of today for non-participation in world affairs, are not valid. Calling a long list of illustrious names from antiquity to the present, she pointed out that all were making names for themselves when they were in their twenties or before.

Miss Barbara Vollen of Chicago spoke of the present. Young people of today should and must be aware of present problems and take an active part in their solution. They should not allow their fine energies to be frittered away in activities not worth while, but should associate themselves with movements which are striving to unify the youth of the world in accomplishments for peace. She gave examples of good and poor organizations and condemned the lethargic people who refused to exert themselves.

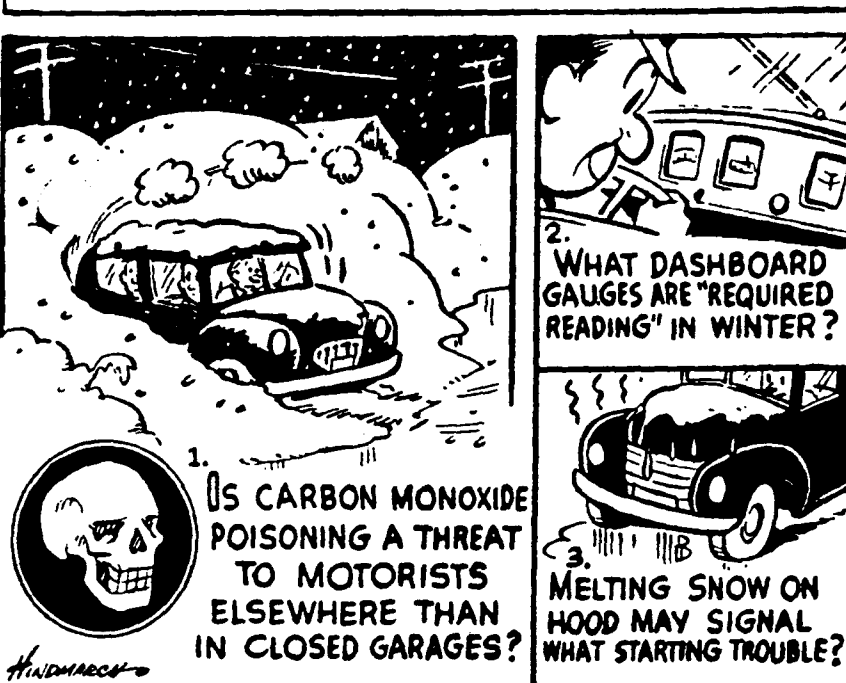

Miss Norma Mason, also of Chicago, in speaking of the future, stressed the necessity for youth to keep itself informed on world affairs and study human relations. She mentioned the unfortunate way in which our service-men overseas in the last war lost much popularity and influence by ignorance in these two fields. She pled for use of all media of communication in keeping themselves informed, but for youth in the last analysis to make up their own minds.

Dr. Victor H. Sheppard, associate professor of social science, is sponsoring the I.R.C. this year. The College choir and Wilbur Sheridan furnished music for the service.

Special meeting of Jacksonville Trades and Labor Assembly Thursday night. All delegates and union members urged to be present.

CHICAGO MOTOR CLUB WINTER DRIVING QUIZ

1. IS CARBON MONOXIDE POISONING A THREAT TO MOTORISTS ELSEWHERE THAN IN CLOSED GARAGES?

Answer to Question 1
Yes. Although a majority of deaths caused by carbon monoxide poisoning occur while running an engine in a closed garage, the gas fumes have proved fatal in many instances when the engine was kept running to keep occupants of the car warm while it was stuck in a snow bank. Defective exhaust systems or heaters also have produced carbon monoxide tragedies while the car was moving on the open road. It is a good rule to have these parts checked often and always to keep at least the cowl and window ventilators open.

Answer to Question 2
Keeping an eye on the temperature, oil pressure and ammeter gauges as well as the gasoline

2. WHAT DASHBOARD GAUGES ARE "REQUIRED READING" IN WINTER?

Answer to Question 2
Wet distributors, coils and spark plugs cause starting troubles when water resulting from melting snow on the hood seeps under to impair their firing power. To eliminate these troubles, a clean, dry cloth should be used to wipe them off.

gauge is absolutely necessary during the winter. Low oil pressure may mean a burned out bearing or other serious trouble while a temperature gauge registering above the normal 160 to 180 degrees cause serious damage to the motor. A check of the battery, generator, ignition and/or electrical systems is required if the ammeter registers discharge while the engine is running rapidly.

3. MELTING SNOW ON HOOD MAY SIGNAL WHAT STARTING TROUBLE?

Answer to Question 3
Wet distributors, coils and spark plugs cause starting troubles when water resulting from melting snow on the hood seeps under to impair their firing power. To eliminate these troubles, a clean, dry cloth should be used to wipe them off.

Methodists To Observe Week Of Dedication

Bishop J. Ralph Magee of Chicago, head of the 1,585 Methodist churches in Illinois, has called upon the 443,000 members in this state to observe a Week of Dedication, March 13-20. First church-wide observance in the denomination's Advance for Christ and His Church program, the Week of Dedication was authorized by the General Conference. Its purpose is to deepen the devotional life of the church's 8,650,000 members and to help them measure up to world-wide needs.

In order that the Week of Dedication may be observed in each of Methodism's 40,397 preaching places, many of which are on rural circuits, leaders are urging the extensive use of lay speakers to supplement pastoral leadership. In many communities special worship services or cottage prayer meetings will be held and opportunity given to receive Holy Communion.

A recording of messages by Bishop Paul B. Kern, Nashville, Tenn., chairman of the Week of Dedication, and the Rev. Dr. E. Harold Mohn, Chicago, executive director of the Advance program, will be used in hundreds of churches and heard by thousands over radio transmissions. On March 20, the Day of Dedic-

tion, the week's observance will be climaxed by special sermons on the world mission of the church and a church-wide offering "to relieve human suffering through overseas relief and to build hospitals, social centers and churches in spots of the most acute need around the world."

We announce the new **DE SOTO**

"The car designed with YOU in mind!"

It's new...it's different...it's better! Come in and see it

NO MATTER how many new cars you have compared this year...no matter what kind you thought you were going to buy...make no final decision until you have seen this new De Soto.

This is the car that you were hearing about long before it arrived. This is the car that was designed to fit YOU instead of you having to fit it. And what a difference that makes!

Here's the low, massive, modern look. But instead of having less room inside the car, you have more. More leg room, arm room, headroom. You step in through full-width doors. You don't have to

crouch behind the steering wheel. The roof doesn't scrape your hat. You ride in dignity and comfort.

You can see where you are going, too. Not only are windows and windshields bigger. You sit on luxurious chair-high seats. You ride cradled between the axles. And, as you know, De Soto lets you drive without shifting.

Many exciting new features. From the fresh-air All-Weather Comfort System hidden under the hood to the automatic built-in back-up light, they're all intensely practical. Come in and see them.

Young Hunter Is Wounded In Foot

Jerseyville—Robert Bowman, member of the sophomore class of the

Jerseyville Community High school, is a patient at the Alton Memorial hospital where he is suffering from a gun shot wound sustained late Friday afternoon at the Howard Parker farm east of Jerseyville. Bowman is a nephew of Mr. and Mrs. Parker and has been making his home with them in Jersey county and attending the Jerseyville school.

Friday evening he went into a cornfield some distance from the Parker house to shoot crows. He from his grasp. The gun fell, and took his 22 rifle and the accident as it did, the trigger was tripped and occurred when he started to raise the weapon discharged, the bullet striking Bowman in the right foot.

He started immediately for the house, and when he approached there called for Mrs. Parker, who heard him and went to his assistance. Mrs. Parker gave first aid, and Gubser's ambulance was called and removed the youth to the Alton hospital.

MANCHESTER

Mr. and Mrs. O. H. Hudson of Manchester and Mr. and Mrs. Glen Funk of Roodhouse are vacationing in Florida.

Mr. and Mrs. Ralph Henry and Mr. and Mrs. C. O. Gordon were Sunday evening supper guests of Mr. and Mrs. James A. Gordon and son and Mrs. Etta Cuddy.

Mr. and Mrs. Raymond Whitlock and family of Piasa visited here with Mr. Whitlock's mother, Mrs. Ida Whitlock.

Mr. and Mrs. George Long and grandson, David DeTar of Pleasant Hill, visited Sunday evening with their son-in-law and daughter, Mr. and Mrs. Ernest Roach.

Mrs. Helen E. Patterson has returned from the White Hall hospital, where she was a patient for several weeks.

Chandlerville Girl Wins First Place In Speech Contest

Chandlerville—Miss Phyllis Kennedy, daughter of Mr. and Mrs. Robert Kennedy and a junior at the local high school, won first place in oratorical declamation at the Illinois High School association's district drama and speech contest at Petersburg.

Miss Kennedy's oration was "The Palace of Peace" by First Lieutenant L. Margules. She will compete in the sectional contest to be held at Lincoln on Saturday, Mar. 12.

Elvin L. Eilers, son of Mr. and Mrs. Martin Eilers, is one of the 160 students at the University who received grades averaging "B" or better for the last semester.

Lt. James A. Lynn, who was a member of the class 49A Advanced Multi-Engine Pilot school which was graduated Feb. 25 at Barksdale Air Force Base in Louisiana, is here visiting with his mother, Mrs. Euna Lynn, and other relatives. He will leave March 20 for California, where he will be stationed.

Glasgow Twins Mark Birthday

Glasgow—Mrs. B. E. McEvers and Mrs. Eva Young, Glasgow twins, reached their 67th birthday Thursday, March 3.

However, since Mrs. McEvers is a resident here and Mrs. Young is now making her home with her daughter and family, Mr. and Mrs. Arch Howard in Carrollton, no observance was held marking the occasion.

Mr. and Mrs. Paul Kirkley and family, former residents of Grand Pass, west of Hillview, have moved into the Dr. John Roberts tenant farm, just west of Glasgow, recently vacated by Mr. and Mrs. Thos. Gourley and family.

Mr. and Mrs. Lloyd Gourley who have been residing on a farm south of Glasgow, have moved to the former Chas. Haney farm, south of Alsey, in the Pleasant Hill district.

Mr. and Mrs. Buell Howard and family, who have been tenants on the Glenn Funk farm, west of Manchester, have moved this week to the former Henry Daniels farm near the river, southwest of Glasgow.

Entertains at Dinner

Mr. and Mrs. Joe Sanderson, daughter, Suzanne entertained at a fish supper in their home here Sunday evening with the following guests being present: Mr. and Mrs. Claude Nicholson and family, Mr. and Mrs. Roy McEvers, son, Gayle, Mr. and Mrs. Earl Mikus and children, Mr. and Mrs. Murrell Smith, daughter, Linda, Miss Doris Kesterson, Arnold and Leland Gourley, and Albert Oswald.

B. E. McEvers, who underwent an operation to remove an infection from his mouth at Our Saviour's hospital in Jacksonville last Tuesday, was able to come home Thursday, and is reported in a satisfactory condition.

Chas. Roper went to Springfield Sunday for a few days' visit with his daughter, Mrs. Eileen Alderman, daughter, Sharon Lou.

Leland Gourley left Sunday for Carrollton, where he will be employed by his brother, Chester Gourley on the latter's farm near there.

Mr. Paul Garrison of Winchester, and sister, Mrs. Estelle Cowper were shoppers in Quincy Thursday, and also visited relatives there and in Palmyra, Mo., enroute home.

Program Planned For Home Bureau In Greene County

Carrollton.—Miss Lulu Black of the extension service of the University of Illinois met with the executive board of the Greene County Home Bureau to assist in planning the program for the ensuing seven-

teen months. The retiring board and the newly-elected board met in all-day session and in addition to planning the program, made plans to serve the Farm Bureau men kick-off banquet for their organization drive March 14. The ladies of the Linder and Mr. Gilead units will serve the banquet according to present plans. Plans are also being made to equip the kitchen and dining room with the necessary utensils, dishes and silver to make serving a much simpler process than it is at present. Miss Grace Armstrong of the state extension service will be in the county Thursday to conduct a local leader training school on "Preparing Fresh Food for the Freezer Locker."

POP Goes the QUEEN

By Bob Wade and Bill Miller

THE STORY: John Henry and Sin Conover have followed another blind alley in their attempt to solve recent murders at a swank resort. Their latest suspect, Mr. Trim, who was supposed to be a representative of a tooth-paste firm, was slugged by Johnny. Then the Conovers and a badge in his wallet. The lettering on it says, "Federal Bureau of Investigation."

thing else. He just sat there, his brown eyes as hard as marbles. "We're awfully sorry," Sin added weakly. "Does your head hurt much?"

"Never mind that," he said curtly. "I've had worse days. You've seen the papers. I suppose. Gayner's dead. Whoever killed him made off with the route to the galleon."

"We guessed that from the pencil," John Henry interposed. "And that means two people know how to get there now." He elaborated eagerly, as if he were turning state's evidence, telling Trim how they had bargained with Barselou during the afternoon, lost overwhelmingly and escaped from the cellar with Faye Jordan's help. "Gayner's murderer is headed for the 'Reina' right now, the same as Barselou. That's for sure. We thought you had the combination. That's why we searched you. I'm sorry."

Trim stood up and worked his shoulder muscles. "Where's the rest of my clothes?" "In the front seat," said Sin, getting out of his way. "We're awfully—" "I know," Trim snapped. He opened the car door and put on his coat. He donned the pirate hat at a rakish angle and jammed the wooden pistol back into his belt. Then he faced the fearful Conovers.

"Very well," he said, "we'll call it quits. You probably thought you were doing the best thing and you haven't exactly gotten in the way—yet. Besides, as the Bry-Ter Tooth-paste man, I haven't been any great help to your vacation." John Henry thought it wise to keep silent. But Sin asked, "There's really supposed to be a tooth-paste man here?" Trim grimaced. "Yes. I'm taking his place for a while—a deal the Bureau cooked up so I'd have a good reason for wandering around town. As you've found out by now, Barselou's got it pretty well sewed up."

"You're after Barselou?" John Henry burst out.

Heavy Truck Ban Still In Effect Around Glasgow

Glasgow.—The barring of all trucks having a gross weight exceeding 10,000 lbs. from most of the gravel and black top roads in Scott county, which became effective Feb. 22nd, according to announcements posted by the Scott county highway department.

This ruling was passed as a protective measure for these roads during the spring thawing period that cause these highways to be in a spongy state, and very susceptible to costly damage by heavily-loaded vehicles.

Local roads effected by this order include the Glasgow-Alsey gravel road, the gravel road south from Glasgow to the Greene-Scott county line, and the recently completed black top and gravel road along the bluffs, west of Glasgow.

The nearly spring-like weather this area has been enjoying the past few days has caused the local dirt roads to show quite a bit of improvement from their impassible conditions prevailing during the earlier thawing period.

The county maintainer has been "working down" these roads, and with a few more days of good weather they will again be passable for cars.

Civilians Make Airlift Go

Berlin — (P) — The same guys who won the war for the United States have asked the biggest problem threatening the airlift—life-line of two million Soviet-blockaded Berliners.

Once again the United States has turned to its civilians for help and found it.

The airforces denied it officially. But three months ago the airlift was threatened by crumbling morale. Airmen had to fly day and night, week after week, month after month, in all kinds of weather. The job was monotonous, tough, dangerous.

Today a great percentage of the hundreds of airlift crews are one-time civilians. They were rushed through training at the "little vultures" Great Falls, Mont., station.

The weary veterans of the early lift are being rotated back to the United States for needed rests. They have put in more flying time in a few months than many pre-war fliers did in a life-time.

The newcomers like their job and are ready to stay at it indefinitely. Most of them want to stay in the Air Force even if the present emergency should end.

Serve Waldorf Salad—cubed apples and celery mixed with broken wal-week after week, month after month, in all kinds of weather. The job was monotonous, tough, dangerous.

SOVIET FAILURES MAY HERALD NEW POLICY This map highlights Russia's failures and troubles, which have pyramided so rapidly that the Soviets may feel the need for new strategy. Roving Factories Settle Down

Philadelphia — (P) — A shipment of eight two-ton roller bearings from here to Ijmuiden, Holland, brought to light the story of an uncompleted Dutch steel mill that has been wandering over Europe for 10 years.

The Royal Netherlands Blast Furnace and Steel works, for whom the bearings were made to order here by SKF Industries, Inc., twice has been moved—lock, stock and bearings; once 340 miles from Holland to Germany and now, back to Holland.

Construction of the steel mill, said SKF officials, was halted on Ijmuiden when war broke out in 1939. The Nazis invaded the Netherlands and decided to complete the mill. But, three years later, with production about to start, the Ger-

mans dismantled the plant and moved it to Braunschweig to become part of the Herman Goering works.

Just when the plant was once more ready to operate, in 1945, it was seized by Allied troops. The Dutch entered a claim for the plant. Again the mill was dismantled and moved back to Ijmuiden. Now it appears, production may finally start.

Without Calomel—And You'll Jump Out of Bed in the Morning Rarin' to Go

The liver should pour out about 2 pints of bile juice into your bowels every day. If this bile is not flowing freely, your food may not digest. It may just decay in the bowels. Then gas builds up your stomach. You get constipated. You feel sour, sunk and the world looks punk.

It takes those mild, gentle Carter's Little Liver Pills to get these 2 pints of bile flowing freely to make you feel "up and up." Get a package today. Effective in making bile flow freely. Ask for Carter's Little Liver Pills, 36¢ at any drugstore.

Dental Treatment Given 473 Pupils To Prevent Decay

The Morgan County Health department has released figures showing that 473 pupils in School District 27, in the northwest section of the county, received a least one sodium fluoride dental treatment while the staff of federal dentists and technicians was located at Meredosia. Four other pupils received similar treatment from their own dentists.

Of the 473 pupils who began the treatments, 456 completed them. The number of pupils needing dental care was found to be 353. The visiting dentists found that 191 pupils had fillings in permanent teeth.

Eleven children of pre-school age were given the sodium fluoride treatment at Meredosia.

Pupils taking the special treatment attend schools in the Concord-Chapin-Arendsville-Meredosia consolidated district. The federal dental staff is now working in the Jacksonville schools, headquarters being in the band building north of David Prince Junior High school.

4-H Club Week Being Observed March 5-13

Throughout the nation, the period between March 5 and March 13 is being observed as National 4-H Club Week. Young people in every section of the country are putting forth special effort during this period to awaken community interest in 4-H club activities and to secure new members.

In Illinois alone, 5,000 new members are being sought. This will bring the state membership to 55,000. The goal for Morgan-Scott counties is 350 members.

Any boy or girl, between 10 and 21 years of age, is eligible to become a member. Those interested are asked to contact any 4-H club leader or to inquire at the Farm or Home Bureau office.

The advantages to be gained through 4-H club membership are numerous. Members are given opportunities to "learn by doing" through their various projects, to develop talents for greater usefulness, to train for more effective citizenship in home and community life, and to develop cooperative attitudes toward others.

These are but a few of the many benefits to be derived from 4-H club activities. Good farming and better homemaking are the chief aims of the clubs, but members learn many other valuable things which help them to lead richer, fuller lives.

Jerseyville Woman Has 82nd Birthday

Jerseyville—Mrs. Virginia Weeks of Jerseyville observed her eighty-second birthday anniversary on Mar. 5 and was honored that day at a family party given at her home where she resides with one of her daughters, Mrs. Hettie Bretweiser.

Among the guests were two other daughters and their families including Mr. and Mrs. Charles Braeden of University City, Mo., Mr. and Mrs. Howard Mourning and Gloria and David Mourning of Wood River.

Mrs. Weeks was born in Jersey county. Before her marriage she was Miss Virginia Wade, daughter of Mr. and Mrs. Henry Wade of this city.

In addition to her three living daughters, Mr. and Mrs. Weeks had a son who is deceased.

Thomas Martin Wins Driver's Quiz Award Wednesday

Wednesday's five dollar reward in the winter driving quiz was won by Thomas Martin, 1651 South Diamond street, who answered the three questions for the day correctly.

Martin is a representative of the Burroughs Adding Machine company and drives about 500 miles a week. In his 24 years of driving, he has never had a serious accident.

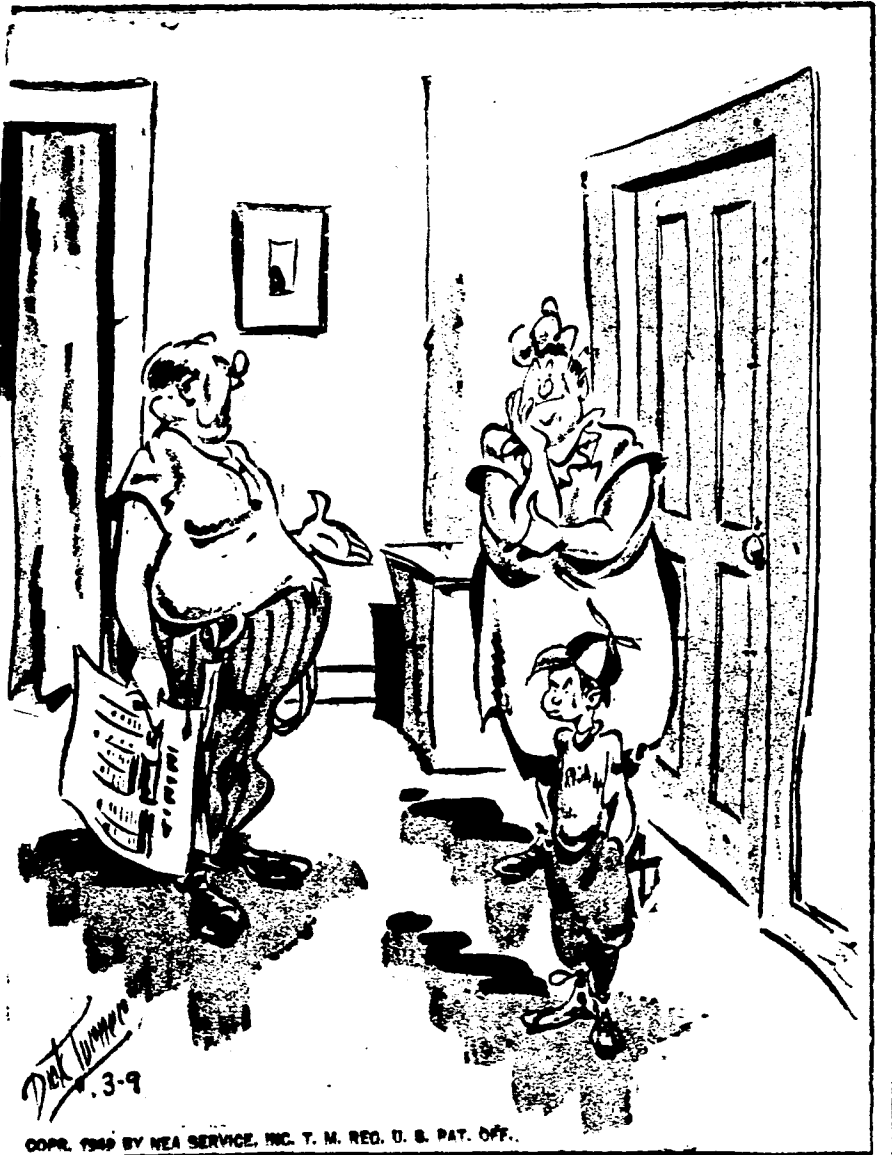

He was the first person interviewed by Wednesday's committee, comprised of William Hofmann, J. Leo O'Brien and Robert A. Fay.

The quiz will continue each day this week until Saturday. The questions and answers will appear in a cartoon feature in the Journal and Courier on the day before they are to be asked.

A five dollar award is given daily by the Chrysler Motor club to the first person who correctly answers all three questions.

Add finely diced red apple (unpeeled) to cabbage and celery salad for flavor and color. Toss with French dressing and a little crumbled blue or Roquefort cheese. Season with salt, freshly-ground pepper and paprika.

CARNIVAL By Dick Turner

"What do you mean, let him join the Boy Scouts? Do you want to ruin the Boy Scouts?"

To Name Special Prosecutor For Car Deal Cases

Jerseyville—Steps were taken Tuesday afternoon at the quarterly session of the Board of Supervisors of Jersey county to employ a special prosecutor in the case of the People of the State of Illinois vs. Arthur Gramer and Robert Knetzer, and the one against Edna Kramer. The cases arise out of indictments returned last November against the defendants by the grand jury of the Jersey County Circuit Court.

Arthur Kramer and Robert L. Knetzer are charged in an indictment with conspiracy and in a second indictment with confidence game. Edna Kramer is charged with false pretense. The indictment grew out of the sale of automobiles at the Kramer farm east of Jerseyville during 1948.

The need for a special prosecutor of the indictments in Jersey county arises out of the fact that the present state's attorney of Jersey county, Alvin H. Pettit, was employed by

NEW DELHI TO HAVE DIPLOMATIC AREA

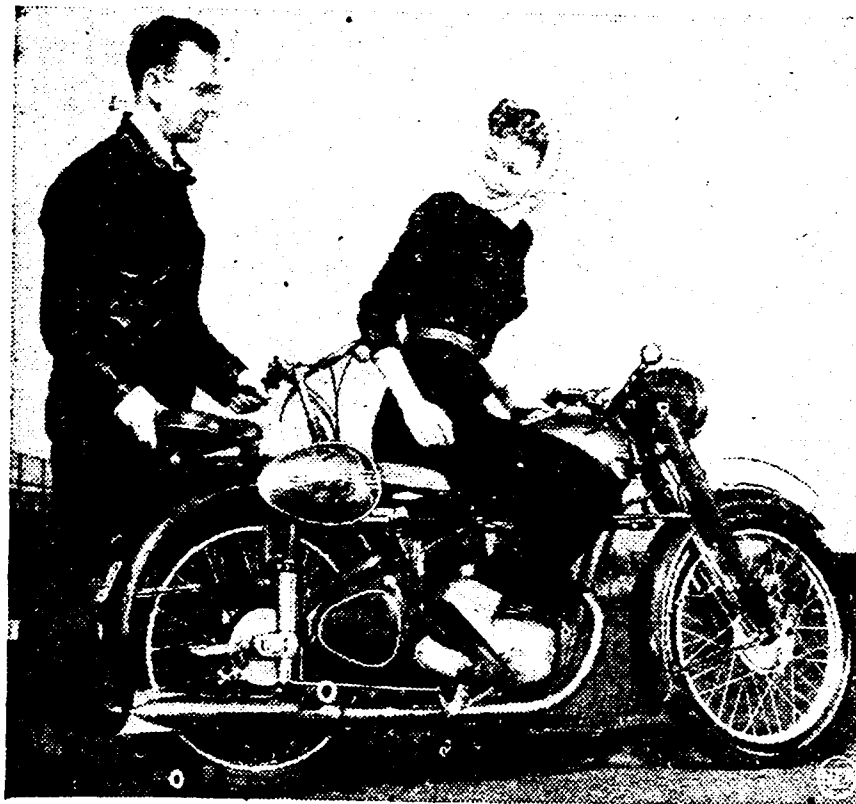

New Delhi, India—(AP)—The government will soon start work on a diplomatic colony for this over-capital.

A 1,600-acre tract in southwest New Delhi will be developed. The government will spend 16,500,000 rupees (\$5,000,000) leveling the land and constructing roads, water and sewer systems and shopping centers. Foreign governments will have to put up their own buildings.

Man: embassies now occupy former New Delhi places of maharajahs. Some late comers have had to make hotel rooms their headquarters.

When making raisin pie, sprinkle the raisins with a little grated lemon rind and cinnamon.

Winchester, College Quintets Win Again In YMCA Cage Event

Games Tonight
White Hall vs. Mercedes at 7:30 p.m.
K. of C. vs. IC Owls at 8:45 p.m.

The Winchester and IC Quintet clubs swept to their second wins in the local YMCA tournament last night when they dumped the Bluffs and Nesco out of the contest. The two Scott county cage crews Wilson-Campbell and Winchester clubbed their neighbors Bluffs community five 68 to 23. The Bluffs five stayed in the ball game for the first quarter, trailing by only 4 points at the end of this period. Winchester turned on the steam in the second inning, and jumped into a big 33-10 advantage at the intermission.

Bluffs failed to register a single counter in the third frame, while Winchester racked up 20 more, and led 53 to 10 going into the last stanza. The Scott county seat team coasted in to the wire in the final quarter to take the bout 68 to 23.

Kaltschnee led the winning aggregation with 19 points, while Pond Schone and Little each collected 6 markers to lead Bluffs.

IC Quintet Wins
Tom Comerford kept up his high scoring ways in the second game to lead his IC Quintet to a 59 to 30 victory over the Jacksonville Nesco club.

With Comerford hitting consistently, the college five forced into a 12-2 lead at the end of the first quarter, and raced on to a 19-8 advantage at the intermission.

The second half was very slow, as the Nesco outfit failed time and again to come through with scoring opportunities and the college bunch continued to methodically pour in the points to quit with a 59-30 lead.

Field Narrowed To Sixteen Quintets In NAIB Tourney

Kansas City, March 9.—(P)—The field was trimmed to 16 teams today in the National Association of Intercollegiate Basketball tournament, but an outstanding favorite still was lacking.

The Hamline University Pled Pipers, a highly regarded team and Indiana Central of Indianapolis, were paired in the upper bracket feature at 2:20 p. m. (CST). Both teams won their first round games Monday.

In the lower bracket, Beloit (Wis.) College and the Southwest Missouri State Bears, who had a 23-1 regular season record, will meet at 7:40 p. m. Beloit, a quarter-finalist the last two years, looked great in beating Waynesburg (Pa.) College, 96 to 56, yesterday.

Beloit Serious Threat
Ron Bontemps, Beloit forward, connected for 32 points and appears to have enough class to make the Wisconsin team a serious challenger for the NAIB title.

Loyola of Baltimore, which beat Cedarville (Ohio) college 79-67, probably will be another tough customer. Loyola forward Jim Lacey is shooting for the national collegiate scoring record of 2,090 points set a few years ago by Brooms Abramovich of Salem College, Virginia.

Lacey, only 71 points off Abramovich's record at the start of the tournament, eased in 17 points against Cedarville.

Southwest Missouri, which beat the University of Portland, 59-56, should prove a real test for Beloit even though the Missourians' ace forward, Preston Ward, already in spring training with the Brooklyn Dodgers of the National Baseball league.

N.Y.A.C. Rejects Louis' Request To Stage Title Bout

New York, March 9.—(P)—"At least I don't have to take any punches any more," sighed Joe Louis wearily after a hectic four-way press and radio conference.

The retired heavyweight champion of the world had just made his New York debut as a fighter promoter and it was an experience that would have tried such glib ad lib artists as Milton Berle and Fred Allen.

Question after question was fired at the Brown Bomber and he tried to answer them all to the best of his ability. He was caught with his gloves down on occasion but he was always in there trying. He had no setup.

Explains Retirement
Sports writers, still photographers, movie and television cameramen, and radio interviewers all had a crack at the champ. Several times Louis had to oblige representatives of two or more groups at the same moment.

The champ, who leaves today for Aruba, Dutch West Indies, and a Caribbean tour, explained his retirement reasons, his position with the newly formed International Boxing Club and described his interview with Eddie Egan, chairman of the New York State Athletic Commission.

Approved by NBA
Louis saw Egan yesterday morning and asked New York recognition for the winner of the proposed June Ezzard and Charles-Jersey Joe Walcott fight to be called "world champion." Louis already had gained the blessing of the National Boxing Association.

Louis said Egan rejected his request because he (Egan) didn't believe the winner of any fight among the leading heavyweights should be named champion.

The Bomber, now director of boxing and a partner with Arthur Wirtz and James D. Norris in the I.B.C., said the fight would be held outside New York then, probably in Chicago.

New York Stock Market

New York, Mar. 9.—(P)—The stock market slid a little lower on the price scale in slow-poke trading today.

Largest declines—some running to more than a point—were posted in the first hour's trading. Buying perked up a bit then and many issues made a partial or full recovery but the market generally remained in lower ground.

Business amounted to one of the smallest totals of the year. Turnover was at the rate of around 600,000 shares for the full session, which would compare with yesterday's 940,000.

Lower prices were paid most of the day for General Motors, Chrysler, Montgomery Ward, Caterpillar Tractor, American Telephone, Consolidated Natural Gas, Westinghouse Electric and Great Northern Preferred.

Moving ahead were Youngstown Sheet, Goodrich, Woolworth, Oliver Corp., Schenley, General Electric, Nickel Plate, Skelly Oil, and Standard Oil (N.J.).

Corporate bonds moved narrowly. U. S. Government held steady in over-the-counter dealings.

WHEAT, CORN SCORE GAINS OF OVER 1c; SOYBEANS UP 2c

Chicago, March 9.—(P)—Grains rallied late in the session on the Board of Trade today, both wheat and corn jumping for gains of more than 2 cents. Soybeans spurred more than 2 cents. Trading, dull early, picked up speed on the advance.

Buying followed Washington reports the Commodity Credit Corporation plans to announce soon a year's extension of the price support loans covering the 1949 wheat and corn crops. The purpose would be to induce farmers to build additional storage room.

Receipts were: wheat 12 cars, corn 167, oats 18 and soybeans 4.

Wheat closed 18-14 higher, May \$2.17-1/2; corn was 18-24 higher, May \$1.33-3/4; oats were 1-14 higher, May 67-1/2; rye was 1 lower, May \$1.32-1/2; soybeans were 2 1/2 to 3 cents higher, March \$237-\$237 1/2, and land was 5 cents lower to 5 cents a hundred pounds higher, March \$12.62.

HOSTS TO SECTIONAL TOURNAY

Glenn Smith's Pittsfield Saukkee five is playing host to this vicinity's sectional basketball tournament this week. They tripped Chambersburg last night in the initial game of the meet. The Pittsfield gang went the right to compete in their sectional when they downed a strong Winchester five in the finals of their own regional tourney by a 50 to 44 count last week. The Saukkee cagers as shown from left to right, are: first row—Coach Smith, Voshall, Dell, Niebur, Williams; second row—Huntley, Baird, Parks, Siswell, Collier, Zimmerman. The managers, Dimmitt and Dickerson, are standing behind the players.

Hamline Defeats Indiana Central In NAIB Tourney

Kansas City, March 9.—(P)—One of the tourney favorites, Hamline University of St. Paul, pulled away in the second half to beat Indiana Central of Indianapolis, 63 to 66, in the second round of the National Association of Intercollegiate Basketball tourney today.

Indiana was a tenacious foe in the first half but star Hal Haskins' 17 points kept the Minnesotans in front all the way. It was 44-35 at intermission. Haskins got 29 points before being put on the bench for a rest.

Preceding Haskins to the sideline was big Vern Mikkelsen, who fouled out with 11 minutes to play and his club in front 58-45. If his absence gave Indiana any encouragement, it soon was removed by Haskins, who hit three straight goals to ice the decision.

In the initial second round game today, witnessed by 3,500, Northwestern State College of Natichouche, La., produced a Hollywood finish to beat Brigham Young, Provo, Utah, 59-57.

A good ball handling club, eastern Illinois State of Charleston provided a mild surprise in eliminating San Jose, Calif., state in the next contest, 81-75.

San Jose got away in front, but Eastern Illinois caught up and had a one-point advantage, 44-43, at half time. Tom Katsimpalis, freshman center, made 24 points, 10 less than his opening game performance. Stu Inman led San Jose with 28.

NIT Adds Five More Teams To Solve Problem

New York, March 9.—(P)—The selection committee of the national invitation basketball tournament solved a thorny problem today by adding five more teams—instead of one—to make its annual extravaganza a 12-team event in place of the usual eight-team affair.

Loyola of Chicago (22-5), Bowling Green of Ohio (21-6), and three New York schools, Manhattan College (18-7), St. John's (15-8), and New York University (12-7), joined the seven other quintets for the March 12-14-17-19 tourney in Madison Square Garden.

The first seven picked previously were Kentucky (29-1), St. Louis (21-3), Utah (24-7), Western Kentucky (25-3), San Francisco (21-5), Bradley (25-6), and City College of New York (17-7).

With the field increased, afternoon sessions were put on the program for this Saturday and next Monday.

Propose Home For Penniless Ex-Athletes

Springfield, Ill., March 9.—(P)—Six Illinois senators proposed in a bill today that the state acquire and operate a home for penniless boxers, wrestlers and jockeys.

"It would be for athletes who are through and would serve as a reward for their contribution to sports," said Senator Roland V. Libonati of Chicago, one of the sponsors.

The money would come from proposed increased state taxes on admissions to horse racing, boxing and wrestling events. Libonati estimated \$25,000 a year would be needed.

Under the bill, the destitute athletes would have to be residents of Illinois at least five years before they could qualify for admission to the home.

Pat O'Sullivan Upsets Mary Agnes In Florida Golf

St. Augustine, Fla., March 9.—(P)—Pat O'Sullivan of Orange, Conn., continued the upset pattern in the Florida East Coast Women's Golf tournament today by eliminating Mary Agnes Wall of Menominee, Mich.

The Connecticut and Eastern title had to go 19 holes; but she outlasted Miss Wall, who yesterday upset tourney medalist Marjorie Lindsay.

Carol Dinger of Tiffin, Ohio, winner of last year's Ormond Beach title, also bowed out in a close match today. Polly Riley of Fort Worth Texas, 1948 Curtis cup team member, put out Miss Dinger, 1 up, after a close battle all the way.

Pat Devany of Gross Isle, Mich., played the best game of the day as she won over Mrs. Jane Crum Covington of Orangeburg, S.C., 3 and 2. Miss Devany was three under par with 34 on the front nine.

Snead, Mangrum Favorites In 24th Four-Ball Tourney

Miami, Fla., March 9.—(P)—Slammin' Sammy Snead of White Sulphur Springs, W. Va., and Dapper Lloyd Mangrum of Chicago rank as the duo to beat at Miami's 24th annual international four-ball golf tournament opens tomorrow.

Snead, a veteran of the gruelling 144-hole tournament worth \$10,000 in cash prizes, yesterday carded five birdies as he blazed over the Miami Springs Country club course during a practice round.

Thirty-two of the nation's top ranking professionals are scheduled to tee off for the initial round.

Dr. Cary Middlecoff of Memphis, Tenn., and Big Jim Ferrier of Chicago are defending champions.

Locker room experts are predicting that the skip Alexander-Pete Cooper team will be among the tougher combinations to beat. Cooper last week won the St. Petersburg open.

Only one regular will be missing, Little Ben Hogan, hospitalized in Texas after an auto accident.

Negrees Banned From American Bowling Congress

Atlantic City, N. J., March 9.—(P)—The executive directors of the American Bowling Congress voted today to keep the ABC a white man's organization.

For a third straight year, the directors called on delegates to the ABC convention to reject an amendment that would delete the words "individuals of the white male race" from the constitution of the congress. The convention is scheduled for Friday at the Traymore hotel.

The amendment was proposed by the Rev. Charles Carow of the Catholic Youth Organization of Brooklyn. Neil C. King of Indianapolis, a former ABC president, made the motion to recommend rejection of the amendment by the delegates.

His motion was passed without a dissenting voice. The Rev. M. S. Wasniewski, a Catholic priest from Denmark, Wis., is a member of the board. He said yesterday he would refrain from voting on the question.

Home Five Defeats Chambersburg In First Contest At Pittsfield

Pittsfield—Eddie Jackson dumped in 22 points as his small Chambersburg basketball team went against the Pittsfield Saukkees in the first game of the Pittsfield sectional last night, but even that wasn't enough to prevent his club from taking a 50 to 40 whipping in the hands of the home five.

Pittsfield Five Favored
The Saukkee quintet was heavily favored to win over the plucky Chambersburg outfit, that came up from the district ranks, and then swept to the front in the Jacksonville regional by downing the local Grinnon five in the championship game. However, the Burgers gave the favorites all they wanted before finally succumbing in a close-hard fought battle.

The Saukkees doubled the score on Chambersburg in the first quarter, leading a 12-6 advantage at the end of this frame. With apparently no trouble the home quint moved into a bigger lead in the second stanza, and rested comfortably on the long end of a 25-15 count when they went out for the ten-minute rest between halves.

Comiskey Park To Have 'Home-Run' Garden This Year

Chicago, March 9.—(P)—Comiskey Park, once a pitcher's paradise, will have a "home-run" garden this year.

The Chicago White Sox today announced a five-foot wire barrier shortening the entire outfield 20 feet will be constructed in time for the April 22 opener with the St. Louis Browns.

The fence, similar to the one the Cleveland Indians erected at their rambling stadium, will trim both the left and right field foul lines from 352 to 332 feet.

In the 20-foot spaces between the outfield walls and the new fence, roofed in bull pens will be built—the visitors' in right field and the Sox' in left field.

The fence was decided upon after the Sox toyed with the idea of moving home plate towards the outfield. General Manager Frank Lane said: "Moving the plate ahead—as was done when the Sox had high hopes for the belting of Al Simmons 15 years ago—would move field action too far from the fans," Lane explained.

"The new distance will be hazardous to our own pitchers as well as opposing hurlers, but we're home 77 games and an enemy club is only around 11 times in a season."

CHICAGO LIVESTOCK MARKET REPORT

Chicago, March 9.—(P)—Hogs were steady to 25 cents higher today and sheep generally steady to strong. Cattle also were mostly steady to 25 cents higher, but medium weight and heavy steers closed slow and weak to 50 cents lower.

Most good and choice barrows and gilts sold from \$17.50 to \$21.75, the top going to \$22.00 sparingly. Sows took \$15.50 to \$18.00.

Best steers price was \$29.00 paid for three loads choice to prime kinds. Those grading low-to-average-choice fetched \$26.00 to \$26.50 while medium to good grades were \$22.00 to \$25.50. Choice heifers topped at \$25.50 and medium and good kinds were \$21.50 to \$25.00. Beef cows brought up to \$19.00, sausage bulls to \$23.50, and vealers to \$28.00. Stockers and feeders continued active.

Lambs again topped at \$28.25, their highest March price in history first made on Tuesday. Others ranged downward to \$27.75. Woolled yearlings sold as high as \$25.00 and though ewes sold no higher than \$13.50 choice types could be quoted to \$14.00.

Salable receipts included 8,000 hogs, 8,000 cattle, 500 calves, and 1,500 sheep.

BANS SUNDAY BURIALS

Alton, Ill., March 9.—(P)—The three major cemeteries of Alton announced today that no more Sunday burials will be permitted, except in cases deemed emergencies by the city board of health. A spokesman said the action was taken because of difficulty in securing workers on Sundays.

Home Five Defeats Chambersburg In First Contest At Pittsfield

Pittsfield—Eddie Jackson grabbed the spot-light for the Burger outfit, and pushed his five back into the ball game with some timely long shots. The Red Raiders trailed in a 31 to 26 score going into the final period. The Pittsfield outfit stretched lead to 42-29 after the last quarter got underway, but big Rich Zimmerman, Saukkee center, was thumbed from the bout on personals at this point, and the Burgers started whittling away at the Pike County crew's advantage. However, they ran out of time before they ran out of points, and found themselves still on the low end of the score as the final horn blew.

Eddie Jackson was top gunner in the contest, chalking up 22 markers for Chambersburg. Zimmerman added 19 tallies to the running Pittsfield total.

566,936 Fans Saw Big Nine Cagers Play This Year

Chicago, March 9.—(P)—Big Nine basketball teams played before 566,936 fans in this year's 54-game conference campaign, a slump of about 22,000 from last year, an unofficial estimate disclosed today.

Last year's total was 588,958.

Five schools showed a turnstile increase, but Iowa slipped from 93,235 last year to 76,132; Michigan dropped from 49,600 to 41,701; and Northwestern, playing all six home league games at Chicago stadium, dipped from 89,620 to 74,477.

Wisconsin, playing to an estimated 13,000 per game capacity, matched last year's 78,000 total.

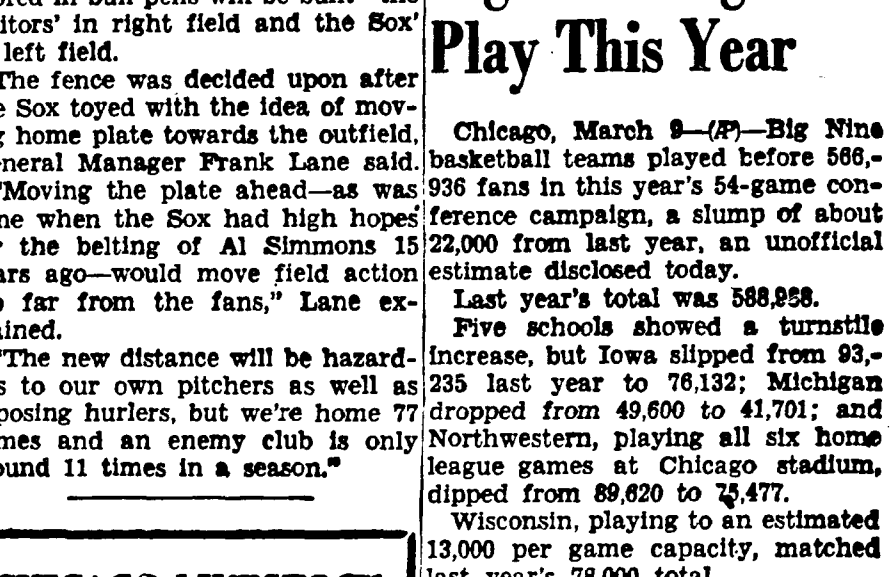

Champion Illinois, its Huff capacity taxed both seasons, edged up from 41,405 to 41,301. Indiana squeezed in 59 more fans with 59,161.

Ohio State had the biggest increase, almost 9,000, with a jump from 29,394 to 38,373. Purdue also had a substantial increase from 54,650 to 62,500.

Minnesota, battling Illinois all the way for title honors, played its six home games before 94,162, slightly topping last year's 93,472. Just as last season, the Gophers played before the largest campus crowd, 16,306, in the Indiana game Jan. 22 and topped 16,000 against Michigan Jan. 8 and Purdue Feb. 26.

DeMolay Chapter Confers Degrees On Six Tuesday

Louis Henry Clampt chapter Order of DeMolay, conferred the initiatory and DeMolay degrees on a class of candidates Tuesday evening at the Masonic Temple. The class included Dick Gotschall, Robert Russell, Sherwin Smith, James Dwyer, Bill Dickerson, and Frank Auwater.

The Initiatory Degree officers conferring were: Harold E. Toussaint, Jr., master; Bill Jarrett, senior counselor; Edmund Vorhes, junior counselor; Bob Reynolds, senior deacon; Charles Huffman, junior deacon; Howard Gutekunst, senior steward; Bob Carpenter, junior steward; Jack Moore, scribe; Bill Querry, treasurer.

Bill Malcomson, chaplain; Warren Ferguson, marshal; Wayne Peterson, almoner; George Souza, sentinel; Ed Hill, orator; Dick Grunty, as substitute for Eddie Stafford, standard bearer; Loren Mueller, pianist; Dale DeFrates, crown bearer; John Wendorff, John Walker, Fred Richardson, John Boatwright, Hal Olson, George Wild, and Jack Williams, preceptors.

Past Master Councilor Van Dean Sims conferred secret work.

Degree Officers

The DeMolay Degree officers conferring were: Ed Hill, orator; Loren Mueller, Jacques DeMolay; Harold Toussaint, Jr., master inquisitor; Jack Peak, senior inquisitor; Bill Jarrett, junior inquisitor; Jack Williams, Guy of Auvergne; John Wendorff, Godfrey de Gonesville; Charles Huffman, Hugues de Perade; Warren Ferguson, senior guard; Hal Olson, marshal; Bill Malcomson, first guard; John Walker, second guard; and Howard Gutekunst, Lord Constable of France.

Dads Donald H. Litter and Frank Keppeler coached both Degrees.

DeMolay, Jr., is advisor of the chapter. The DeMolay Masonic advisory council, John S. May, President; Alex Donovan, Hubert Litter, William Ricks, Edward Jackson, and Everett Wise, attended. A number of Masons from Jacksonville and Waverly also were present, as well as several Past DeMolays of the local chapter.

Plan Chili Supper, Dance

The local chapter will join with the local Rainbow Girls assembly on Friday evening for a chili supper to be served at the Masonic Temple by the Rainbow Mother's circle. Following the supper, chartered buses will leave the Masonic Temple for Moonlight Gardens at Springfield, where the two groups will hold a skating party. Mrs. Mabel Olson is mother advisor of Rainbow and E. L. Pires is dad advisor. The chapter will observe DeMolay obligatory day, devotional day, Sunday March 20, by attending the morning worship services of the State Street Presbyterian Church, with the Rev. Lewis Raymond officiating. DeMolays and Masons are to meet at the church at 10:15 a. m. to form and enter together the "Devotional Day" is designated by the grand council of the Order of DeMolay, and will be observed on March 20 in every chapter throughout the world.

The chapter will hold installation of officers on March 22, in the Masonic Temple. An election of officers was held on February 22, with Bill Jarrett elected master; Edmund Vorhes, senior counselor; and Warren Ferguson, junior counselor. The installation will be open to the public.

Reaugh Jennings Fractures Ankle

Reaugh Jennings, business manager at the Jacksonville State Hospital, suffered a fracture of his right ankle Wednesday morning when he slipped on a rug at his apartment.

This was his second injury in the past year, as he sustained a fractured pelvis in an automobile accident last fall.

The injured ankle was X-rayed and the fracture reduced. He will be on crutches for some time.

FLUE FIRE

A flue fire at the home of Floyd Mason, 734 Bedford street, brought a fire alarm at 7:05 Wednesday. There was no damage.

SHERMAN COMMUNITY CLUB TO MEET FRIDAY

The Sherman Community club will meet at the school Friday night at 7:30 o'clock.

The speaker will be Major Henri Servais of the Salvation Army. A motion picture will be part of the program. There will also be a white elephant sale.

Refreshments of cookies, sandwiches and coffee will be served. The refreshment committee is composed of Mr. and Mrs. Harry Hubbert and Mr. and Mrs. H. E. Barber.

Frank W. Bourn and Mrs. William Oneal have arranged the program.

'Girl Homemaker' Wins Scholarship Given By D. A. R.

Chicago, March 9.—(P)—The Illinois Daughters of the American Revolution's 53rd annual convention today selected Phyllis K. Uster of Galva, Ill., as its "Girl Homemaker" of 1949.

Miss Uster was awarded a \$100 scholarship. She plans to attend Western State Teachers College at Macomb, Ill.

The convention installed these officers: Mrs. Ferdinand J. Friedli, Belleville, state regent; Mrs. Roy A. Graham, Chicago, chaplain; Mrs. Wendell Perry, Wilmette, recording secretary; and Mrs. John W. Hoffman, Peoria, registrar.

The meeting approved resolutions opposing "any plans to convert the United States into a form of socialistic government," and to dedicating the DAR to exposing communism.

Coins Galore—But Not for Them

John Alcorn, left, 12, and his brother Robert, 11, gasp in amazement at the \$1800 in coins they found behind a North Philadelphia, Pa., supermarket. However, the boys' piggy banks still go begging, for the money was left behind by burglars who broke into the store and escaped with \$6000.

New Constitution Will Let Peron Succeed Himself

Buenos Aires, March 9.—(P)—Radical party opponents of President Juan Peron walked out of the Constituent Assembly today, calling it a farce.

Left to themselves, Peron's followers then approved 101 to 0 a new Argentine constitution which permits the president to succeed himself in 1952.

Before executing their dramatic, prearranged exit, the radicals charged the Peronistas had betrayed that the only purpose of the constitutional convention was to arrange for a Peron succession. In reply, the president's supporters cited the example of the United States in electing Franklin D. Roosevelt four times.

Stupid was tired this morning. Seems he spent most of the night romping with some new-found friends—a couple of burglars.

Stupid's playmates battered a safe with chisel and sledge hammer, but couldn't open it. They settled for \$3 in the cash register, bid Stupid a fond farewell and departed.

Terrier Broods Over Chicks

John Caza, of Leamington, Ontario, Canada, brought home 31 chicks, and set them in the kitchen for a few days, before putting them outside. He didn't count on the maternal instinct of Shorty, his female fox terrier. The chicks adopted her as their mother. Now she snaps at anyone who tries to pick up a chick.
